

DELIRIUM'S DAWN

Technical Rider 2021

This technical rider is supposed to help the event manager and the band to guarantee a smooth organization of the gig. Thank you very much for taking your time and reading this rider. If there should be difficulties with any of the details, we would like to ask you to contact us in advance. We are looking forward to collaborating with you.

Contact List:

- Organization: Tom Gimpel (tom@deliriumsdawn.de)
- Technical questions: Ary Keshtgar (ary@deliriumsdawn.de)
- Drums related questions: Manu Fischer (manu@deliriumsdawn.de)

Band:

- Ary Keshtgar: Rhythm guitar & main vocals
- Tom Gimpel: Lead guitar & backing vocals
- Younas Khan: Bass & backing vocals
- Manu Fischer: Drums

Genre: Metal, Metalcore, Progressive

Technician: not available

Monitoring:

Stage monitors aren't necessarily needed as the band uses a in ear monitoring systems (central module) that provides their own mix. Guitars, bass and the vocals mics will be connected to this central module and routed through to provide each signal (unprocessed) for the mixer / pa via XLR.
